She stated that the Committee chose Eddie Sturgal this year as Clerk of the Year. Eddie Sturgal thanked the Chapter. President Nemer thanked the committee for working so hard on this. She stated she could not think of a more deserving clerk to receive the award.

6. INTRODUCTION OF SPEAKER – JANET WHITE – "SECRETS OF THE HIDDEN JOB MARKET"

Carole Ehrlich introduced the guest speaker, Janet White. Janet is the person every job seeker hates. For more than 30 years, Janet has gotten every job she ever really wanted. It didn't matter if she didn't have any experience, didn't know anybody on the inside, or how big the competition was; she got every job.

A native New Yorker, Janet spent 18 years in commercial real estate, 12 of those years as real estate writer and publicist in New York and Dallas working for such companies as Lincoln Property Company and CB Commercial.

In 1996, Janet left commercial real estate and teamed up with a friend who was starting a business selling power wheelchairs.

That led to a new career in durable medical equipment sales, and she now is an independent manufacturer's representative selling medical equipment for the obese to hospitals nationwide.

Janet's new book, "Secrets of the Hidden Job Market; Change your Thinking to Get the Job of Your Dreams" is a radically different approach to a familiar topic, and is a must-read if you're tired of not getting hired. Janet will incorporate job advancement and certifications into her presentation today.

Carole presented Janet with a gift from the Chapter and President Nemer thanked Janet for her presentation.
